At our 2022 annual conference, we officially changed our name to Pennsylvania Association Food Protection - PAFP and voted on a new constitution and by-laws.

With this name change, we changed our website to our new name to:

<https://www.pafoodprotection.com/>

and logo:

And have included several upgrades to our website to keep it up to date and include easy ways to communicate with our Executive team, upcoming events, including training and local meetings, as well as access to affiliate event documents through an event password access.

Google Calendar - ICS

2x a year, the PAFP group meets with leaders of the PDA to bring attention to and review topics that are of concern to those in the industry. This helps our group bring forward topics that the industry would like to address and to also be able to take information from regulators to distribute to those in the industry.

This spring meeting to cover the usual updates and topics reviewed during these meetings, as well as proposals submitted for the April NCIMS Conference.

If you would be interested in a certain topic being brought up at this meeting, please let us know on the [Contact Us](#) page.

We provide 3 scholarships and on our new website, we are proudly celebrate their achievements.

Katelyn Feaster

Major: Food Science

Campus: PSU – University Park

Hometown: Liberty, PA

Katelyn Feaster is a student at Penn State University and was chosen as our **Edwin M. Wagner Scholarship Winner**. She is a 4th year Undergrad who has spent her college career learning the different aspects of Food Science, from product development to food microbiology and quality.

She is the current president of the Food Chemistry Club at Penn State and over the past summer she completed a Quality Assurance Internship in the Dairy Industry.

Katelyn is also a member of Earth House for the College of Ag students, as well as a part of Vole (a dance organization) and Circle K (a community service organization).

Katelyn is planning to graduate in May of 2023.

We are proud to support students like her in their
journey through college and into the future!

Congratulations Katelyn!

Leah Ward

Major: Animal Science

Campus: PSU – University Park

Hometown: Smithsburg, MD

Leah Ward is a student at Penn State University and was chosen as our **Walter S. Anderson Scholarship Winner**. She is a senior with a double major in both Food and Animal Science with minors in Business, Marketing, Entrepreneurship with a focus on Food and Bio-Innovation, and International Agriculture.

She chose this path in college because of finding out that she had food allergies and started having to look at food labels to determine if it was safe to eat. She also chose animal science when I was in about middle school and participated in 4-H. I found I really enjoyed trying to formulate a good diet for my market animals in order to get them finished in time.

After completing her undergrad at Penn State, she will continue her education and work towards a graduate degree in Food Safety but with Michigan State University while looking for a full-time position that focuses more on the regulatory side of food science and processing.

We look forward to seeing all that Leah can accomplish in the Food Safety Industry and what she will do in the future! Congratulations Leah!

We unfortunately did not have any candidates to award our Patrick Campbell Scholarship award for 2022.

Our 2022 annual conference always has an educational focus on it. Aside from the usual annual Farm Inspectors certification training, we also focused on sanitation training with several speakers sharing different and complimentary presentations.

They included:

- Pat Hastings from ChemServ taking us back to the basics of sanitation and how it relates to food safety and quality of our finished products. Wendy White, Industry Manager for Food & Beverage, Ga Manufacturing Extension Program, followed and took what Pat covered and showed how it also relates to plant sanitation and environmental implications.
- Cindy Weimer from American Dairy Association gave us a run down of our dairy consumers and how their program supports that.
- Don Schaeffer Professor from Rutgers University educated us on how to understand and manage food safety risks.
- PDA and FDA gave educational updates to the Farm Inspectors and to the Lab and Plant conference attendees to help us understand updates and trends in violations to help us understand how to improve in our respective areas.
- Paul Dix, Chairman for 3-A Sanitary Standards gave an engaging talk about sanitary design of equipment. It was helpful to develop our “eyes” on problems to look for when out in the farms and plants.
- Jeff Warner, Acting Deputy for Bureau of Animal Health and Food Safety & Lab Services gave us an overview on changes to our state Milk programs.
- Mabel Lee, from FDA’s Center for Food Safety & Applied Nutrition (CFSAN) gave us an overview on FDA Labeling requirements.
- Justin Holder, Milk Specialist from FDA, gave us 2022 updates and changes to the milk sanitation inspection programs.

Best Overall Affiliate Meeting Award

Did your Affiliate hold an outstanding self-sustainable (***not sponsored/co-sponsored by IAFP***) food protection meeting which you consider 'over and above' those normally held? If so, provide the following details, if applicable, on what led to a highly successful meeting:

- Type of meeting and the value it brought to Affiliate Members/attendees (does not need to be your Annual Meeting);
- Mission statement for meeting (if relevant);
- Content;
- Numbers of attendees:
 - Number of and overall percentage of Affiliate Members (for example, 100 total attendees with 75 of them being Affiliate Members = 75%)
 - Number of Guests (non-dues-paying Affiliate Members) and their affiliation to the Affiliate Chapter and/or meeting's topic(s)
- Audience participation (through roundtable discussions, exercises, etc.);
- Topics:
 - Agenda (you may include a printed copy with your award application)
- Speakers and their employer affiliations (if available);
- Sponsors;
- Diversity of meeting participants (range of sectors represented, i.e., students, academia, extension, government, NGO, industry representatives, etc., which can be broken down into services, i.e., retail, education, research, manufacturing, etc., if available); and
- Other information.

You may cut and paste copy in the space below or use a separate page if necessary; please limit your explanation to 500 words or less in 12-point type. (*Do not submit copies of speaker Power Point slide presentations.*)

Our 2022 annual conference always has an educational focus on it. This was our first meeting as PAFP, our new name.

Each year, we try to find a theme that brings value to our members.

Aside from the usual annual Farm Inspectors certification training and updates from PDA and FDA, this year our theme was related to Sanitation and Food Safety.

They included:

- Pat Hastings from ChemServ taking us back to the basics of sanitation and how it relates to food safety and quality of our finished products.
- Wendy White, Industry Manager for Food & Beverage, Ga Manufacturing Extension Program, followed and took what Pat covered and showed how it also relates to plant sanitation and environmental implications.

Our Mission

The Pennsylvania Association for Food Protection (Formerly PAMFES) is an affiliate of the International Association for Food Protection, whose mission is to advance food safety in Pennsylvania.

C.B. Shogren Memorial Award

How did your Affiliate demonstrate exceptional overall achievement during the past year in promoting the mission of IAFP (*"To provide food safety professionals worldwide with a forum to exchange information on protecting the food supply"*)? "Overall achievement" should encompass at least several of the following activities/accomplishments of your Affiliate during 2022:

- Exceptional achievement in membership;
- Types and effectiveness of communication and education;
- Awards and scholarships presented;
- Attendance numbers at meetings;
- Collaboration with other professional organizations;
- donations to the IAFP Foundation; and
- Representation at the IAFP Affiliate Council Meeting (held July 31, 2022); and
- Other pertinent information.

While not a requirement, strong consideration will be given to an Affiliate whose officers (beyond the requirement for the President and Delegate) are also IAFP Members. Provide a description and include any supporting documents. You may cut and paste copy in the space below or use separate pages if necessary; please limit your explanation to 1,000 words or less in 12-point type.

We have been working over the past few years to improve our outreach to the Dairy constituents in Pennsylvania. We changed our Affiliate name to PAFP and we changed our logo.

One key goal we have it to actively engage our Regulatory partners in both PDA and FDA who oversee the dairy programs in our state to help our members understand regulatory requirements and be able to share that knowledge to the next generation.

The following honors were awarded in 2022:

- Distinguished Service Award to Gib Martin
- Sanitarian Award to Terry Messner
- Past President Award to Amanda Wolfe

Each of the above awardees have contributed and served well to our Dairy Industry over the years.

The following Scholarships were granted in 2022

- Walter S. Anderson Scholarship to Leah Ward - \$1,000
- Edwin M. Wagner Scholarship to Katelyn Feaster - \$1,000

Our new website has been developed and has new updates to help make it a fresh and useful website for our members. We have added upcoming events calendar that shares links to not only our conference, but also events taking place that would benefit our members. As well as a news link for relevant news for our members.
